No Emergency Felt Here In **Edison Strike** OFFICIALS SAY CITY

PREPARED FOR CRISIS

No pickets have appeared at the Sierra Madre office of the Southern California Edison Company, and service continues uninterrupted in the area as the strike of approximately 3700 electrical workers against the utility company raised doubts here as to what might happen if the rainstorm. predicted by some within the next few days, might strike the community.

According to Charles Lawrence Washburn, city water commissioner, and Al Freeland, city water superintendent, Sierra Madre is better prepared to meet a water crisis than many larger communities. Reservoirs are at full capacity and, according to Freeland, there is enough "tunnel water" to last the community for three emergency weeks.

Reserve power for the operation of the water supply, in case of emergency, already has been planned by Washburn and Freeland. No such emergency, however, is anticipated in the near future.

Robert Green, manager of the Sierra Madre office in the Monrovia District of the Southern California Edison Company, managed by Carl O. Wedberg, reports that although approximately 35 persons in the operating department of the Monrovia District are absent because of the strike, there is an average of one supervisor to every six workers who is prepared to carry on during the

emergency.
While orderly picketing has been reported from various Edison Company areas in Southern California, supervisory employees have been replacing operators, linemen, electrical and maintenance workers. According to a summary of reports, there is no cause for alarm at present within this area.

Campfirers To Hold Birthday Week In March

Camp Fire Girls, Blue Birds, and the Horizon group in Sierra Madre, along with other Campfire organizations throughout world, will celebrate "Birthday Week" March 15 to 22. First observances will include church attendance by the girls and their leaders.

The Church of the Ascension has announced that girls of all groups will be welcomed by Father Harley Smith and the congregation at the 11 o'clock Mass Sunday, March 15.

Within Sierra Madre, the 18 volunteer leaders and assistants will arrange the programs for the celebrated week that will include activities by five groups of Campfire Girls, one Horizon group, and four Blue Bird organizations. All of them are a part of the San Gabriel Valley Area and the National Organization in New

York City, N. Y. Wednesday, March 18, all Campfire Girls and affiliated groups are invited to a "Birthday Party" to be held in the City School Cafeteria beginning at 4 p.m.

Paper Drive For Swim Pool **Needs Saturday Volunteers**

Sierra Madre's Paper Drive that a few volunteers can't cure, according to Sam Simpson who has been working with Judge John Mead, "Pappy" Welch, and Philip Mitchell in the campaign to add to the Swimming Pool Fund.

Frank Barbour, Manuel de la Torre, and Henry Vis, have been helping too, but there still is great need for volunteers to assist with the driving and pick-ups that are made in certain sections each Saturday, Simpson says.

This Saturday, March 14, the "curb service" pick-ups of old newspaper, magazines, and scrap metal will be made in the area south of Sierra Madre blvd. west of Baldwin to

Last Saturday Velma Dickson helped the men by driving one of the cars, and at another time Mitchell brought a crew of Boy Scouts who helped a great deal, but if the drive is to reach its potential, there must be new volunteers who can be counted on to at least take turns with the Saturday schedules.

The routes for the month are as follows:

First Saturday-East of Baldwin, from the mountains south to Orange Grove. Second Saturday — as previ-

Homes. Fourth Saturday — North of Sierra Madre blvd. from Baldwin west to Michillanda.

LAST REGISTRATION DAY Today, March 12, is the last

day for Sierra Madreans to register in order to vote on the May 5 school bond proposition. Unregistered persons who

have been in the State one year, the County 90 days and are now local residents, should register at City Hall between 9 a.m. and 5 p.m. Anyone recently becoming 21

years old or changing his or her name must also register to eligible to vote on the forthcoming bond issue which seeks to raise \$241,000 for an eight classroom building to house the city's expanding school population.

Kiwanians Hear Rev. Ostrander

At the Kiwanis luncheon last Tuesday, March 10, the Rev. Donald Ostrander of Trinity Presbyterian Church addressed the meeting on the subject: "Your Future Is Now."

The regular Tuesday meeting for Kiwanis has been cancelled for next week only, because of the club's joint dinner meeting Wednesday with the Lions at City School, preceding the auditorium address that evening by Dr. Harlan Hogue of Scripps College, Claremont.

Girl Scout Anniversary Party Will Feature Celebrated Dolls

The Girl Scout "Birthday Party" will be held this afternoon in Pritchard Hall of the Congregational Church from 2 until 5:30 o'clock. The party, celebrating the 41st anniversary of the national Girl Scout organization, will feature the famous collection of dolls owned by Mrs. C. P. Robertson, 123 Orange Grove, whose mother, Mrs. Mable Stevens of Providence, Rhode Island, collected the dolls from all parts of the world.

As a contribution to the Julliette Low World Friendship Fund, which offers awards and camping scholarships to distinguished Girl Scouts, every guest at the party will give a penny for each year of her age The money will be deposited in miniature "Swiss Chalet" bank, which represents one of the Girl Scout International Encampments at every sum-

Is A Hazard To Children In **Opinion of Recreation Group**

The old Canyon swimming ation building, or for off-street pool that has been Sierra Maparking." dre's one and only public "swimming hole" for more than 25 years may have seen its last days if recommendations by the Recreation Commission are made effective.

In a letter addressed to Mayor Henry F. Korsmeier and members of the City Council, the commission expressed unanimous agreement by its members to the effect that the old pool, operated by the city in recent years, should go. Its objections to the plunge were because, in its opinion, "the pool now constitutes a hazard to the safety and health of Sierra Madre children."

The Recreation Commission further stated:

"In making plans for summer recreation for 1953, the commisison deems it inadvisable to operate the pool as

Clubs' Dinner Focused Upon P-TA Speaker

Because of extreme interest in the speaker at the Mar. 18 meeting of the Sierra Madre P-TA, the local Kiwanis and Lions Clubs have scheduled a joint dinner meeting preceding

The dinner will be held in the City School cafeteria, with adjournment to the auditorium at 8 p.m. to hear Dr. Harland Hogue discuss "Should Religion Be Taught in the Schools?" Madre Concert Band will play three numbers in their first public appearance.

Dr. Hogue, associate professor of religion at Scripps College and Claremont Graduate School in Claremont, has been a minister in Presbyterian churches and is the author of several books.

The P-TA meeting is scheduled to start at 8:15 with a short business meeting and election of officers. Nominees are: president, Mr. and Mrs. Arthur Bohart; first vice-president, Mr. and Mrs. Norman S. McDonald; second vice-president, Mr. and Mrs. L. A. Moffet; third vice-president, Mr. and Mrs. Roland Rountree; recording secretary, Mr. and Mrs. Frederick Thiele; corresponding secretary, Mr. and Mrs. James Winslow; treasurer, Mr. and Mrs. George A. Feichtmann; auditor, Mr. and Mrs. Ray Obazawa; parliamentarian, Mr. and Mrs. Tom Willis; and historian, Mrs. Matilda B. Laughlin.

LIONS CLUB HEARS STUDENT WRITERS IN ORAL CONTEST

Last Thursday evening the Sierra Madre Lions Club was host to four local high school students who appeared in an annual contest sponsored by Lions International. Last year 10,000 students in California and Nevada participated in writing papers in the contest. The subject this year is "Man's Search for Security."

Contestants were selected from all students enrolled in English classes, representing the winners from among 15 "A" papers who were given the opportunity to present their themes orally. Lions and guests were deeply impressed with the superior quality of all four pre-

sentations Three of the contestants were Barbara Treydte, Mary Ellen Romney and Don Boller from Sierra Madre. Don Boller was declared to have won first place after a very close contest involving careful tabulation of all points awarded. Don is now Sierra Madre's representative to participate in the zone contest on the evening of March 20 at

the Pasadena Athletic Club. • Tonight the Sierra Madre Lions Club is meeting as usual at 7:15 at the Woman's Club.

The verdict was reported as being in accordance with recommendations as presented in the appraisal conducted by the State of California Recreation Commission in 1949.

Members of the Sierra Madre Recreation Commission are Milton Goldberg, Al Masters, Ralph "Pappy" Welch, Mrs. Stanley Coutant and City Councilman Charles James. Philip Mitchell, who attends the meetings, is not a member of the Commission, but acts as Recreation Director representing both

the City and City School. Council's most definite reply to the letter Tuesday evening was in the form of a request to City Administrator, asking him to investigate the possibilities of operating the pool through private management

So far as the new swimming pool proposed at City Park is concerned, Councilman James made a statement in which he said he believed he also spoke the sentiments of other council members. The council, he said, fully recognized the need of a modern, safe swimming pool for the community, but pointed out its responsibility to citizens of Sierra Madre in trying to keep taxes at a mini-

"We remember that a few years ago the citizens did not vote affirmatively for a tax increase for the construction of a

new swiming pool," he said He further stated the city's needs that might be considered more important than a new swimming pool, such as a new fire engine and a raise in salaries for city employees. "Unfortunately, good pools

cost a lot of money," James stated, "and we have accumu-

Band To Make First Public Date March 18

First public appearance of the Sierra Madre Concert Band will be a brief debut preceding the Mar. 18 P-TA meeting, at the Sierra Madre City School. Miss Marie Oliva will direct three numbers, "Washington Post March," "Strike Up the Band," and "Cuba Cabana-Samba."

The newly organized group held its first rehearsal in February, and has not yet reached full strength. There are openings in all sections for residents of the San Gabriel Valley. Several instruments are available on loan to experienced players, including snare drum, alto horn, two baritones, and tuba.

Newest enrollees are Wayne Brooks, Monrovia, on trumpet, and Glenn Lilly, Arcadia, on French horn.

Rehearsals are held every Thursday eevning from 7:30 to 10 in the auditorium of the Sierra Madre City School.

Mayor Issues **Proclamation** For Red Cross

Whereas, Thousands of men and women are trained in skills to protect their families and their neighbors in times of emergency, now

"Therefore, I, Henry F. Kors-meir, Mayor of Sierra Madre, proclaim the month of March, 1953, as "Red Cross Month" and do here and now urge all citizens of this community to contribute without reservation to the 1953 Red Cross Fund appeal through our local chapter.

Mrs. Ione Ward and Mr. and Mrs. Arthur Severns of Sierra Madre attended special church services at Pomona College last

Sunday at which Dr. Harry Em-

erson Fosdick, pastor emeritus of Riverside Church in New York City, delivered the sermon.

Trinity Youth Visiting Other Church Groups

To provide them a pattern for their own proposed activi-ties, members of the new but growing Senior High group of the Westminster Fellowship of Trinity Presbyterian Church are visiting similar groups in neighboring churches, according to the minister, Rev. Donald H. Ostrander.

The visits are taking the place, at present, of regular Sunday evening meetings. Next Sunday night the group will sit in as guests at the Michillinda Presbyterian Church and the following Sunday night, March 22, they will visit Westminster Presbyterian Church in Pasadena, having already attended a young people's meeting at Pasadena Presbyterian Church.

The Senior High group has no officers or sponsors as yet, other than the minister who is guiding the organization pro-

In the offing for the young people as the organization takes shape are ice skating, swimming and barbecue parties, miniature golf competitions and trips to the mountains and snow areas.

Membership is open to young people of any denomination interested in the congenial companionship offered. Those interested in the group's activities and in membership may contact Rev. Ostrander for information.

At the last meeting plans were discussed for sending rep-resentatives to the fifth annual Tri-Presbytery Youth Convention of Southern California, March 20 and 21, in Long Beach Municipal auditorium. More than 1500 Presbyterian young people from Santa Barbara in the north to the Mexican border in the south are expected to attend.

MRS. HERMANSON REIGNED AS QUEEN AT PURIM BALL

Mrs. David Hermanson of Arcadia, candidate of the R G B Aides of the City of Hope, reigned as Queen Esther at the Purim Ball sponsored earlier this month by the Women's Di-vision of the Foothill Jewish Community Center. Mrs. Hermanson's selection and coronation as Queen Esther climaxed a contest for that honor and was the highlight of the ball.

Princesses in her court were Mrs. Paul Grossman of Temple City, entered in the contest by the Women's Division, and Mrs. Jerry Glesby, candidate of the Mopettes. Mrs. Grossman is ways and means chairman of Women's Division, one of the principal booster organizations of the Center in Sierra Madre. Mrs. Glesby is treasurer of the Mopettes, which group has contributed material things such as altar drapes to the Center and has helped to clean up the Center housekeeping

Mrs. Max Brezinsky was chairman of the Purim Ball, assisted by Mrs. Irving Cohen, Mrs. Paul Grossman, Mrs. Lee Streicher and Mrs. Harry Arian. Other recent Center activities

WHAT WILL EASTER MEAN TO YOU?

Easter means more than a feast of eggs. It means more than the arrival of spring and the opening of the lillies. On Easter morning the early Christians greeted one another with the exclamation "He is risen," to which the reply was given 'He is risen, indeed."

To celebrate properly the festival of Christ's resurrection you must know and recognize the cause for His death. The

Bible says, "Christ was delivered for our offenses, and was raised again for our justification."

Prepare for an Easter with real meaning by attending the Midweek Lenten Vespers of Faith Lutheran Church each Wednesday night at 8:00 at the Woman's Clubhouse, 270 W. Sierra Madre Blvd. Your attendance will impose no embarrassment or obligation.

NEW COURSE FOR SCOUTERS PRAISED

The "New Scouters Basic Training Course," to be conducted every Monday night this month through April 11, has proven an amazing innovation to scout leaders, according to Reg G. Barrett, organization chairman for the Mt. Wilson Boy Scout district.

More than 20 scouters attended the first two sessions, but Barrett reports there still is room for ten more. He says that those who have been accustomed to the old style "University of Scouting Course," will discover many improvements in the new system which divides the meetings into seven parts and puts the adult scouter in the young Scout's place.

The last April date in the course will be an overnight camp-out.

'Nearly New' Sale Set

The Parents Club of the Ascension School is sponsoring a "nearly new" sale on March 21. The location will be announced next week.

Outgrown, but not worn out, children's clothing and up-todate apparel for adults will be featured.

The sale is under the general chairmanship of Mrs. S. P. Sparks. The proceeds will be used to augment and improve the school library.

Those having articles in good condition that they wish to contribute, may telephone Mrs. Sparks, CU. 5-9142, or Mrs. Smith, CU, 5-1583, for pick-up service.

Why does the use of alcoholic beverages demoralize human beings? Medical science lists alcohol as a habit forming depressant narcotic. Narcotics deaden the brain and prevent, along with other things, proper reasoning.

The Red Cross . . .

"The Red Cross is rushing relief to the stricken area." How common and how comforting is that report which we invariably read in the news account of any major disaster at home or abroad.

But suppose there was no Red Cross to aid the injured and the homeless? Suppose victims of a flood, a tornado, or an earthquake were left to get along as best they could, or with such incidental and unorganized assistance as could be obtained on a moment's notice? Let us further suppose that there was no organization to carry on the blood donor program for boys wounded in battle, no organization to assist the dependents of servicemen, no organization to do the thousand and one cheritable and humanitarian services performed by the Red Cross.

Such a situation is unthinkable. But the only thing that prevents that situation is financial support from the public.

So, let your giving come from your heart as well as your pocketbook. Let it come today! Don't wait to be asked!

On the subject of TV installation in Sierra Madre, the city has decided to hire a consulting engineer to determine a system that would serve the best interests of the community. Approximately a dozen customers of Meyer Television attended the meeting, some of whom took the floor to describe their satisfaction with the Meyer system that requires, in some instances, stringing wire across streets.

Although such wire stringing is against the law, Council advised those already using this system that they might be allowed to continue if they wrote letters to the city asking permission. NOW IT CAN BE TOLD

The Story Back of the Reckless and Irresponsible Attack Upon 3,000,000 Californians:

TO: THE PUBLIC SERVED BY SOUTHERN CALIFORNIA EDISON COMPANY:

CU. 5-3809

In the middle of the night of March 9-10, while a panel of the Federal Conciliation Service was still working on the dispute, a small number of the leaders of Local 47, IBEW-AFL called a strike for 6:00 A.M., March 10, against the 3,000,000 people served by the Southern California Edison Company.

This reckless, irresponsible, and potentially very dangerous action is the culmination of a determined campaign by this immature and reckless group, extending over the past several months, and it is now obvious that this campaign of vilification, abuse, and misrepresentation directed against their associates in the Company, had as its predetermined aim the strike which they have now called.

The outstanding fact which proves the foregoing beyond ques-tion is that throughout the so-called bargaining, this small group or committee of Local 47, IBEW-AFL, made utterly and absurdly impossible demands which neither the Management of Southern California Edison Company, nor anyone else, had the right, power and authority to meet. Without receding from those impossible demands, this group has now called this strike.

A "Save-Face" Strike Call

Back of the strike also is the fact that a new, inexperienced, immature and emotional young man was elected to the leadership of this Local 47, IBEW-AFL, less than a year ago. He immediately began to make inflammatory statements, and impossible promises as to what he was going to deliver. Thus he worked himself and his small group of associates into a position where they were promising the moon and threatening a strike to get it. They were finally so far out on the limb that their very position depended on their going to the unbelievable length to which they have now gone in order to "save face."

Reckless and Irresponsible Action

The strike is a weapon of such dangerous potentiality that it is inconceivable that it would be lightly resorted to under any circumstances; but that it should be resorted to at all when it threatens to stop the delivery of electric energy absolutely essential to the life of a modern community, is shocking beyond words. The interruption of production of some commodities and services can go on for some weeks before the general public is seriously hurt. But the interruption of the service of electricity to any consumer or group of consumers,-whether in the home, hospital, on the farm, office building, store, factory, or for operation of traffic signals, water pumps, or refrigeration plants—can cause serious damage in a few hours. For example, most farms depend on electricity for irrigation, and for operating milking machines, chicken-incubators and brooders, and tens of thousands of homes have electric freezers. Many factories such as glass plants, steel plants, and cement plants, can be caused serious loss and damage by even a short interruption. Interruption of service to hospitals where surgery and therapeutic devices depend on electricity, may endanger life within a few minutes. Therefore, regardless of whether there is a law of man against using the strike to stop the public service of electricity, every dictate of morality, common

sense, and decency tells us that a strike is entirely inhumane and uncivilized as a weapon where its use might destroy life and property, and jeopardize the public defense, health, welfare and safety.

A Strike Against the Many for Pitifully Few Leaders

What these officials of Local 47, IBEW-AFL, are seeking to secure through the use of the strike is lop, or union security," but primarily and in essence, they seek only more power for themselves, over the Company, its employees, and hence over the public service vital to 3,000,000 Californians. Having demonstrated their inability wisely to use the power they now have, they seek to add greatly to that power. These particular local union officials seek not to do something for the Edison Company employees but to do something to them by depriving them of more of their freedom.

So far as their monetary demands are concerned, they are so impossible as to raise seriously the question of whether they are presented in good faith. The CIO Union, which represents another group of Edison employees, some weeks ago accepted the offer of an increase of 5% or \$15.00 per month—whichever is greater which the Company also has made to the officers of Local 47, IBEW-AFL and which thus far has been rejected by them. With that increase the employees of this Company will be receiving the highest average pay of any comparable Company in the United States. Furthermore, the working conditions, and the medical and hospital and other benefits received by Edison employees are recognized as outstanding in their quantity and quality.

Potential Damage Greater than Earthquakes

If the officials of Local 47 of IBEW-AFL had the power to cause a major disaster such as an earthquake in this territory in which the plant and system of the Edison Company is located, and they exercised that power, such a condition could neither be tolerated or condoned. Yet here we are today confronted with a strike which could cause damage far in excess of any damage from all the earthquakes which we have experienced in our history in this area-damage not alone to the company's property, but damage of even greater proportions to the property and life of the community of three million population which we serve.

Service to be Maintained so far as Possible

The officials of the company are firm in their conviction that in the face of this strike it would be a very mistaken policy to give these men the additional power over the public welfare which they ask; but also, that within the limits of their duty and trust, the company officials do not have the power or the authority to

With the assistance of the supervisory forces and the aid of its many employees who are still loyal to their responsibility of public service, the company will use every resource at its command in an attempt to maintain vital electric service.

Mr. and Mrs. William M. Preston, who came to Sierra Madre just a year ago this week from North Hollywood, held open house Saturday afternoon and evening on their terrace and in their home at 212 Olivera Lane. They chose that day, not because it happened to be Mr. Preston's birthday but because they wished to have their first open house for good luck before they had rounded out a year in their

Sierra Madre home. The guest list of more than 100 included old and new friends and business associates of the Prestons, who are former Chicagoans.

The hosts considered the party group so mixed that they provided name tags for each guest, complete with clues to vocations, avocations and other aids to getting acquainted. The "ice-breaker" tags brought together couples from Sierra Madre, Arcadia, Pomona, San Bernardino, Pasadena, Hastings Ranch, Beverly Hills and elsewhere in the Los Angeles area.

Guests from Sierra Madre included: Mr. and Mrs. Alexander Black, Mr. and Mrs. Robert Walker, Mr. and Mrs. Hugh Colvin, Mr. and Mrs. Clifford C. The Crusaders barely won by score of 68-67. It was the tightest contest the Crusaders had all year, and we hope they don't have another one like it. Why? Because such games are just too durn' close for comfort. Mighty hard on the nerves. Scares the living daylights out of us. As you all know the Crusaders ran over Sacramento State. No trouble.

Wow! Are we glad to see those Crusaders in Kansas City! After witnessing a game like we did a week ago at Whittier, we're tickled pinkand almost black-'n-blue!

We're still trying to clear our ears of the screaming in that exciting contest. The gym was packed with screaming basketball fans, who were practically hanging out the windows. Pasadena (which came as quite a surprise) occupied three-fourths of the gym.

If we had to make a prediction, we'd say that they're going to win at Kansas City. It's very possible they may be called the nation's best small college basketball team.

With track season dwindling on the calendar, baseball looms up on the sports' horizon. But let's not forget these

Jimmie did all this and arrived at the scene of the fire in better time than it would take a professional fire department to receive the signal and location. However, we may NOT always be so lucky. There is still a good argument in favor of having a driver at the station at all times. The arrival of the trucks at the location in good time is vitally important. Even tho' a fire may have progressed before the alarm is sent, a short delay can mean much damage and possibly

death to occupants.

FIRE

If the Sunday evening fires

continue, perhaps we had bet-ter have a weekly firemen's

picnic to keep the men from leaving town. We do that on

the Fourth of July, you know. Fortunately for all of us, not

all of the firemen go away on

Sundays, for we have had sev-

A new system of alarm to the firemen is now being talked of, among the men. Other volunteer fire departments throughout the United States are having great success with radio. It is known that each volunteer fireman can have a radio in his home, on a wave length that is used for fire alarm only. From his home he will know exactly where the location of the fire is.

If this can be satisfactorily managed, and without too great expense, the men will present the suggestion for an immediate improvement. A committee now at work will report soon.

'Nightshade' **Opens Tonight** At Playhouse

World premiere of "Nightshade" by Ken Englund and Sidney Field comes to Pasadena Playhouse on Thursday, Mar. 12, with Paula Raymond George Reeves and John Bryant top-lined.

The Englund-Field creation packs a powerful footlight punch as it tells the story behind an actual case from San Francisco police files. A girl, haunted by a crimson memory and pursued by a living spectre, the man she marries and a "ghost" make up a triangle which creates high tension and romance.

The best way we know of to put in your 2¢ worth is aboard an S. P. streamliner. We don't know anyplace where you can get so much for a couple of coppers. Roundtrips in Chair Cars on any of the Southern Pacific "name" trains listed below cost only about 2¢ a mile-or less. And look at all the extras you get:

Chair Cars on Southern Pacific's modern streamliners have been built with your comfort the first consideration. Dust-free, draft-free air-conditioning. No-glare fluorescent lighting. Soft-as-a-cloud foam-rubber seats. Lots of leg room and movearound room. Extra large windows. Feather-touch doors. Spacious washrooms. That's why we say that a mile of Chair Car travel on an S. P. Streamliner is the biggest 2¢ worth you can put in. It's the most luxurious form of all low-cost transportation:

Wistaria Vine **And Admirers** To Be 'TV-ed

More than a few Sierra Madreans, according to publicist Lorne Pratt, may see themselves on their television sets two weeks from today, Mar. 19, during a 30-minute show on KTTV entitled "The Open Road" beginning at 8 p.m.-all because Sierra Madre's wistaria vine is now in bloom.

Ever since a Hastings Ranch girl, Pat Murphy, was elected queen of the "Wistaria Vine Festival," long historic in Sierra Madre, Pratt, who is manager for the San Gabriel Chamber of Commerce and also publicity agent for the vine, has been giving his best efforts towards attracting attention to the flowering of the giant growth which he says will bloom into April.

Although the vine was pushed into an early spread this year, through an unusually warm mid-winter, it has persevered through recent rains and cold weather to establish a new record in gaining nation-wide attention, according to Pratt.

Queen Pat, since the announcement of her title, has appeared on various radio and television shows that began with a 15-minute radio-chat over KALI, Pasadena, and extended to receiving official crown on Jack Owen's show over KECA-TV.

Pratt reports that publica-tions throughout the country have given, or will give, notice Sierra Madre's "Wistaria Vine Festival," including the Detroit Free Press, Chicago Tribune, New York Post, and the "Ford Times Magazine."

NOTICE OF PUBLIC HEARING BEFORE THE CITY COUNCIL

NOTICE IS HEREBY GIVEN that Thomas P. and Blanche Buie have filed with the City Council of the City of Sierra Madre an application for a zone change from R-1 (Residential Single) to R-3 (Multiple Family) as to certain real property described as:
Lot 48, Pinney Hotel Tract,
in the City of Sierra Madre,
and located at 225 North Lima

Street.
That pursuant to the provisions of Ordinance No. 391 of the City of Sierra Madre as amended, the City Council of amended, the City Council of the City of Sierra Madre, at a regular meeting held on March 10, 1953, fixed Tuesday the 24th of March, 1953, at the hour of 8:00 P.M. in the Council Chamber in the City Hall of Sierra Madre as the time and place for holding a public hearing upon said application.

The application for change of that there are special circumstances attached to said property which generally do not same district; that the granting of a zone change as aforesaid will not result in a ma terial damage or prejudice of

terial damage or prejudice of other property nor be detrimental to the public welfare or injurious to persons in the vicinity thereof.

Dated: March 10, 1953.

BY ORDER OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE L. Marie Warfel, City Clerk Pub. March 12, 1953.

NOTICE OF PUBLIC HEARING BEFORE THE CITY COUNCIL

NOTICE IS HEREBY GIVEN that William H. Estes, et al, have filed with the City of Sierra Madre an aplication for a zone change from R-1 (Residential Single) to R-3 (Multiple Family) as to certain real property described as follows: Begining at a point 150 feet west of Auburn Avenue on the north side of West Montecito Avenue and extending west to Hermosa Avenue, thence north on the east side of North Hermosa Avenue to within 150 feet of Highland Avenue, then be-ginning at a point 150 feet east of North Hermosa on the south side of West Montecito and extending east to Auburn Avenue thence south on Auburn Avenue for a distance of 58.62 feet; more particularly described as Lots 13, 14, 15 16 and 17 of the Cook Subdivision; Lots 16, 17, 18, 19 and 20 of the Mrs. C. B. Jones Subdivision; Lots 5, 6, 7, 8 and 9 of the Sierra Vista Tract; and Lot 2 of the Cook

Tract; and Lot 2 of the Cook Subdivision.

The application for change of sions of Ordinance No. 391 of the City of Sierra Madre as amended, the City Council of the City of Sierra Madre at a regular meeting held on March 10, 1953, fixed Tuesday, the 24th of March 1953, at the hour of 8:00 PM in the Council of 8:00 P.M. in the Council Chamber in the City Hall of Sierra Madre as the time and place for holding public hearings upon said application.

The aplication for change of zone is based upon the grounds that there are created agreements.
